

QUALITY POLICY

Statement of Company Quality Policy

Subsea Protection Systems Limited aims to provide defect free goods and services to its customers on time and within budget.

The organisation operates a Quality Management System that has gained BS EN ISO 9001: 2008 certification, including aspects specific to the provision of the design, manufacture and supply of prefabricated concrete structures.

The management is committed to:

1. Develop and improve the Quality Management System
2. Continually improve the effectiveness of the Quality Management System
3. The enhancement of customer satisfaction

The management has a continuing commitment to:

1. Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
2. Communicate throughout the organisation the importance of meeting customer needs and legal requirements
3. Ensure that the management review meeting sets and reviews the quality objectives, and reports on the internal audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System
4. Ensure the availability of resources

The structure of the Quality Management System is defined in the Quality Manual. All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual.

The organisation complies with all UK and EU legislation specifically related to its business activities. The organisation constantly monitors its quality performance and implements improvements when appropriate.

The Quality Policy is reviewed annually in order to ensure its continuing suitability.
